## **Newton Recreation Wants to Hear What You Want for Fun in Town**

It is budget time in Newton, NH. We want your input on what matters to you. We have developed a questionnaire so you can give us your thoughts.

We are also having a meeting on Wednesday, November 6 at Town Hall at 7 PM to which you are vigorously invited to come and talk about what interests you, and your thoughts, concerns and ideas about Recreation in Newton. All questionnaires will have to be in by that night please!

The Recreation Commission is made up of 7 volunteers who work to provide a variety of programs for Town Residents. We are faced with developing a budget for your approval for the 2014 Fiscal Year. Your input is important to the Town.

You can find the questionnaire at Town Hall, the Town Library, on Facebook at 'Newton, NH Recreation Committee', and online on the town website (Newton-NH.gov) in the lower left. Please rank your answers from 1-5, with 1 being the lowest and 5 the highest where it says 'Importance to You'.

You can get it back to the Recreation Commission in a number of ways:

Drop off at the Town Hall in the Recreation Mail box

Mail it to Recreation, Newton Town Hall, P O Box 378, 2 Town Hall Rd, Newton NH 03858

Online via email to [recreation@newtonnh.net](mailto:recreation@newtonnh.net)

We will be listening!
